

Ontario Student Opportunity Trust Funds (OSOTF) Financial Assessment Form

Introduction

The "OSOTF awards" refer to a class of awards that have resulted from Ontario government's matching program. Under the program every dollar of donation received for student assistance has been matched by the government, as well as the university, on a dollar-for-dollar basis. There are two major conditions for all OSOTF awards. Recipients must be Ontario residents and demonstrate financial need.

Restracomp funding for University of Toronto graduate students pursuing their research training at the Hospital for Sick Children is provided through the OSOTF program. The information provided in this form is collected by the Research Training Centre at the Hospital for Sick Children on behalf of the University of Toronto.

Eligibility

OSOTF awards are restricted to the residents of Ontario who demonstrate financial need, according to the provincial government's guidelines for the OSOTF program.

For the purpose of OSOTF awards, an Ontario resident is either a Canadian citizen or a permanent resident of Canada who has an Ontario mailing address at the time the award is made.

Financial need can be demonstrated by past OSAP history or by completing the attached financial needs assessment form.

If you have already been assessed for the Ontario Student Assistance Program (OSAP) or the University of Toronto Advance Planning for Students (UTAPS), complete sections 1, 2 and 3 only. If you have applied for OSAP, but did not receive the result of assessment, complete all sections of this form. If you have not applied for OSAP, complete all sections of this form.

Protection of Information

The University of Toronto respects your privacy. Personal information that you provide to the University is collected pursuant to section 2(14) of the University of Toronto Act, 1971. It is collected for the purpose of administering admissions, registration, academic programs, university-related student activities, activities of student societies, financial assistance and awards, graduation and university advancement, and for the purpose of statistical reporting to government agencies. At all times it will be protected in accordance with the Freedom of Information and Protection of Privacy Act.
