

Research Training Competition (Restracomp): Reference Form

Dear Colleague,

The student/fellow named below has selected you as a referee to support his/her application to the Research Training Competition (Restracomp) at The Hospital for Sick Children. We would greatly appreciate receiving your assessment of the student/fellow. If you prefer, you may write a more traditional narrative letter that provides the information requested in this form, or you may provide both the form and letter. Please review the information about avoiding unconscious bias in letters contained in the Restracomp [application instructions](#) prior to completing this form. **Your response should be returned to the applicant's supervisor, who is listed below. Please do not send this form to the Research Training Centre or directly to the applicant.**

The Restracomp deadline is **Friday April 15, 2016 at 12:00 pm**. Please ensure that your letter is submitted to the applicant's supervisor in enough time for the application to be completed and submitted by the deadline. Incomplete or late applications are immediately removed from competition.
